"Why Didn't You Telephone?"

"Guess you're too late, Mr. Jones; the boss is closing that order over the wire now."

Had the travel-tired salesman taken a telephone toll trip, he never would have heard these words. He would have saved expense and disappointment to both himself and house.

One thing is sure—local, toll or long distance Bell service "gets you in on the ground floor," when you want it. People are "in" to the telephone. A telephone call means action. Travel the Bell highway. There are prospects and profits along the road.

HUMORS IN THE BLOOD

When the blood becomes infected with any unhealthy humor the effect is shown by some definitely marked disorder like Eczema, Acne, Tetter, Psoriasis, Salt Rheum, etc. Humors get into the blood usually because of an inactive condition of the system. Those members whose duty it is to expel all refuse matter do not properly perform their work, and an unhealthy accumulation is absorbed into the blood.

Then instead of performing its natural function of nourishing the skin the circulation irritates and inflames it because of its impure condition. A thorough cleansing of the blood is the only certain cure for any skin disease; external applications can only give temporary relief. S.S.S. goes into the blood, and in this way makes a permanent and complete cure in every form of skin trouble. S.S.S. supplies the blood with the nutritive qualities necessary to sustain the skin and preserve its natural texture and perfect appearance. S.S.S. cures Eczema, Acne, Tetter, Salt Rheum, and all other skin eruptions or diseases. Book on Skin Diseases and medical advice free.
